Fastening Solutions™

HN150

Joist Hanger Nailer

A powered collated fastening solution for installing all kinds of metal framing hardware targeting framing contractors, deck builders, and in-plant personnel.

Applications:

- *Joist Hangers*
- *Foundation Anchors*
- *Seismic and Hurricane Straps and Ties*
- *Post Caps and Bases*
- *Other Metal Framing Hardware*

Features and Benefits:

- *Simple and fast operation – saves hours over hand nailing*
- *Small size for access and maneuverability*
- *Lightweight at just 4.4 lbs. - means less fatigue than hand nailing*
- *Nail point protrudes so nails go in the hole every time*
- *Easy rear load magazine with load and cock operation*
- *Durable comfort grip reduces worker fatigue*
- *Belt hook included*
- *Includes case, fitting, wrenches, and oil*
- *1 year warranty*

Specifications:
